NakedSword Reveals 2018's Most-Watched All-Male Movies

JC Adams

Jul 26, 2018 3:47 PM PDT

SAN FRANCISCO — NakedSword is touting its July 2018 Binge Report, collecting together the VOD network's most-consumed sexflicks of the year to date.

Sister Roma, creative director for NakedSword and Falcon Studios Group, spoke to XBIZ about the fact that all but one of the films have a specific commonality.

"I love seeing what our members are watching and it never fails that bareback content is by far the most popular on NakedSword," Roma said.

Treasure Island Media placed four sexpics on the [Binge Report](#): "TIMFuck, Volume 12," "TIMFuck, Volume 11: Group Fuckers," "Kenny's Raw Fucks" and "Liam Cole's Slammed."

Dark Alley Media also claims four films: "Manhole," "Gang Breeders 2" and "Designated Bottom: Ian Greene" plus "Logan Moore Gang Bang" via the studio's Raw Fuck Club label.

Eric Videos and EricRaw.com have two titles on the list: "Raw Loads" and "Cum Hungry" and Kristen Bjorn's Sarava Productions placed their title "Hot Stuff."

To close out the list, NakedSword Originals landed their erotic spoof "The Slutty Professor."

"I have to say that I'm very pleased to see our original production 'The Slutty Professor' up there," Roma said. "[Directors] Chi Chi LaRue and mr. Pam always deliver. It's a sexy, fun flick that really stands out from the rest."
